Chamber Announces Brandi Majewski as Database Specialist

Pensacola, Fla. – Feb. 6, 2012 – The Pensacola Bay Area Chamber of Commerce announces Brandi Majewski as database specialist. Majewski joins the Chamber team on Feb. 13 and is responsible for assisting to meet the business needs of the Chamber by providing technical and administrative support for the data management systems.

“We are thrilled to have Brandi join our team,” said KC Etheredge, vice president of membership and investor development. “Her excellent customer service skills and knowledge of data management will be an exceptional benefit to our members and an asset to the Chamber.”

As database specialist, a new position to the Chamber, Majewski will work with internal and external stakeholders in the analysis, implementation, development and maintenance of databases and online collaboration tools as directed by the vice president of membership & investor development.

Majewski’s previous experience includes work with Landrum Human Resources, where she recorded and analyzed data using various software. Majewski’s skills include managing and implementing technology changes and database management. Majewski is a graduate of Florida State University with a BS in Information Technology.
